

## Event Name: World pharmacy Day(25 sep 2021)

### Event organized by NSS Committee

World Pharmacy Day is an international event observed annually on September 25th. It is a day dedicated to recognizing the important role pharmacists play in healthcare and promoting the value of the pharmacy profession worldwide. The day serves as an opportunity to highlight the contributions of pharmacists in improving patient outcomes, ensuring medication safety, and advancing public health initiatives. Various organizations and pharmacy associations around the globe organize events, campaigns, and educational activities to celebrate World Pharmacy Day and raise awareness about the vital role of pharmacists in healthcare delivery.

**Event Name: World Heart Day(29 sep 2021)****Event organized by NSS Committee**

World Heart Day is observed on September 29th each year. It is an international campaign established to raise awareness about cardiovascular disease (CVD) and promote heart health around the world. World Heart Day encourages individuals, communities, and governments to take action to prevent and control CVD, which remains the leading cause of death globally. The campaign aims to educate people about risk factors for heart disease, such as smoking, unhealthy diet, physical inactivity, and excessive alcohol consumption. It also emphasizes the importance of adopting heart-healthy behaviors, including regular physical activity, maintaining a balanced diet, avoiding tobacco use, and managing stress
